

In the claims

Please amend the claims as follows:

~~11.~~ 9. (Currently amended) A SIM card for operation with a terminal device of
2 a mobile telecommunication network, comprising:
the terminal device configured to only establish connections to fixed destination
4 or source addresses, or both;
the destination and source addresses permissible in connection with the SIM card
6 are stored in a memory of the SIM card or in a database of the mobile communication
network.

~~12.~~ 10. (Currently amended) The SIM card according to claim ~~11~~ 9, wherein said
2 SIM card is designed as a Telematic SIM card.

~~13.~~ 11. (Currently amended) The SIM card according to claim ~~11~~ 9, wherein the
2 destination and source addresses are phone numbers, URLs (Uniform Resource Locator)
or APN's (Access Point Name).

~~14.~~ 12. (Currently amended) The SIM card according to claim ~~12~~ 10, wherein the
2 destination and source addresses are phone numbers, URLs (Uniform Resource Locator)
or APN's (Access Point Name).

~~15.~~ 13. (Currently amended) The SIM card according to claim ~~11~~ 9, wherein the
2 SIM card only supports defined telecommunication services.

~~16.~~ 14. (Currently amended) The SIM card according to claim ~~12~~ 10, wherein the
2 SIM card only supports defined telecommunication services.

~~17.~~ 15. (Currently amended) The SIM card according to claim ~~13~~ 11, wherein the
2 SIM card only supports defined telecommunication services.

~~18.~~ 16. (Currently amended) The SIM card according to claim ~~14~~ 12, wherein the
2 SIM card only supports defined telecommunication services.

~~19.~~ 17. (Currently amended) The SIM card according to claim ~~11~~ 9, wherein the
2 mobile phone subscriber relationship associated with the SIM card can only be operated
within a defined virtual private network (VPN).

20- 18. (Currently amended) The SIM card according to claim ~~12~~ 10, wherein the
2 mobile phone subscriber relationship associated with the SIM card can only be operated
within a defined virtual private network (VPN).

~~21~~- 19. (Currently amended) The SIM card according to claim ~~13~~ 11, wherein the
2 mobile phone subscriber relationship associated with the SIM card can only be operated
within a defined virtual private network (VPN).

~~22~~- 20. (Currently amended) The SIM card according to claim ~~14~~ 12, wherein the
2 mobile phone subscriber relationship associated with the SIM card can only be operated
within a defined virtual private network (VPN).

~~23~~- 21. (Currently amended) The SIM card according to claim ~~15~~ 13, wherein the
2 mobile phone subscriber relationship associated with the SIM card can only be operated
within a defined virtual private network (VPN).

~~24~~- 22. (Currently amended) The SIM card according to claim ~~11~~ 9, wherein the
2 SIM card encompasses more than one different subscriber relationship, wherein the use
of the SIM card is assigned according to the originator principle to the respective
4 subscriber relationship.

~~25.~~ 23. (Currently amended) The SIM card according to claim ~~12~~ 10, wherein the
2 SIM card encompasses more than one different subscriber relationship, wherein the use
of the SIM card is assigned according to the originator principle to the respective
4 subscriber relationship.

~~26.~~ 24. (Currently amended) The SIM card according to claim ~~13~~ 11, wherein the
2 SIM card encompasses more than one different subscriber relationship, wherein the use
of the SIM card is assigned according to the originator principle to the respective
4 subscriber relationship.

~~27.~~ 25. (Currently amended) The SIM card according to claim ~~14~~ 12, wherein the
2 SIM card encompasses more than one different subscriber relationship, wherein the use
of the SIM card is assigned according to the originator principle to the respective
4 subscriber relationship.

~~28.~~ 26. (Currently amended) The SIM card according to claim ~~15~~ 13, wherein the
2 SIM card encompasses more than one different subscriber relationship, wherein the use
of the SIM card is assigned according to the originator principle to the respective
4 subscriber relationship.

~~29.~~ 27. (Currently amended) The SIM card according to claim ~~16~~ 14, wherein the
2 SIM card encompasses more than one different subscriber relationship, wherein the use
of the SIM card is assigned according to the originator principle to the respective
4 subscriber relationship.

~~30.~~ 28. (Currently amended) The SIM card according to claim ~~11~~ 9, wherein the
2 SIM card supports other services that are typically not understood to be Telematic
services.

~~31.~~ 29. (Currently amended) The SIM card according to claim ~~12~~ 10, wherein the
2 SIM card supports other services that are typically not understood to be Telematic
services.

~~32.~~ 30. (Currently amended) The SIM card according to claim ~~13~~ 11, wherein the
2 SIM card supports other services that are typically not understood to be Telematic
services.

~~33.~~ 31. (Currently amended) The SIM card according to claim ~~14~~ 12, wherein the
2 SIM card supports other services that are typically not understood to be Telematic
services.

34. ~~32.~~ (Currently amended) The SIM card according to claims ~~15~~ 13, wherein

2 the SIM card supports other services that are typically not understood to be Telematic services.

~~35.~~ 33. (Currently amended) A process of limited use of a mobile

2 telecommunications network by a terminal device, the process comprising:

using a SIM card in the terminal device;

4 said card only allowing connections by means of said card only to fixed destination or source addresses, or both; wherein

6 the destination and source addresses permissible in connection with the SIM card are stored in a memory of the SIM card or in a database of the mobile communication

8 network.
